## Fall Leaf Print

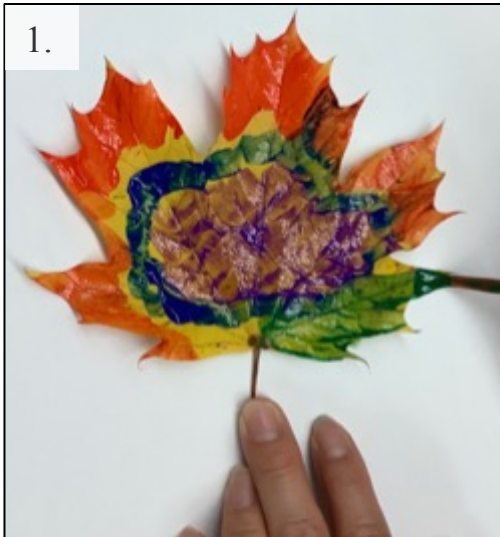

By Tamara, Jennifer and Eunice

### ❑ What you need

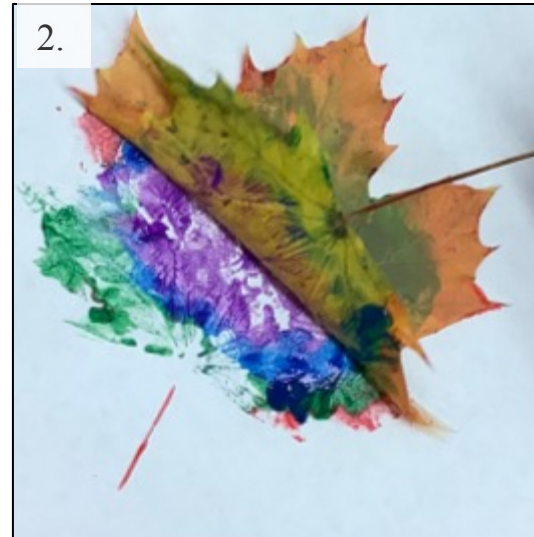

- Tempera Paint
- Paintbrush
- Leaves
- White Paper

### ❑ Steps:

1. Using a paintbrush, paint some colours you like on a fall leaf.

2. Before the paint can dry, place the leaf painted side down onto the paper.

3. Press down on the leaf and peel it off to see the leaf print!

4. Using a paintbrush, paint some colours you like on a fall leaf.
5. Before the paint can dry, place the leaf painted side down onto the paper.
6. Press down on the leaf and peel it off to see the leaf print!

Try this with your child:

- Use multiple different types of leaves in shapes and size.
- Try making patterns with the colours of paint being used.
