

**BURNABY
FAMILY LIFE**
A PLACE TO GO... A PLACE TO GROW!

Following Patterns

Math Activity

Following Patterns

What you need

- Various Coloured Markers
- White Paper
- Ruler
- Coloured Sticks
- Paper Cup

Steps

1. Draw a grid of dots on a white sheet of paper

2. Place the paper cups face down and arrange them, so they look like the dots on the paper

3. Using a ruler and various coloured markers, draw out a path with lines by connecting the dots on the paper

Following Patterns

Steps

4, 5. With your child, use the dot grid as a guide to connect the cups together using the popsicle sticks. Use the correct coloured popsicle sticks as drawn on the paper

Talk about the colours being used and how to place the popsicle stick to match the pattern on the paper
