

ART ACTIVITY

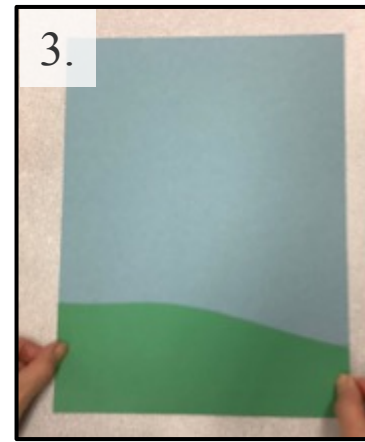

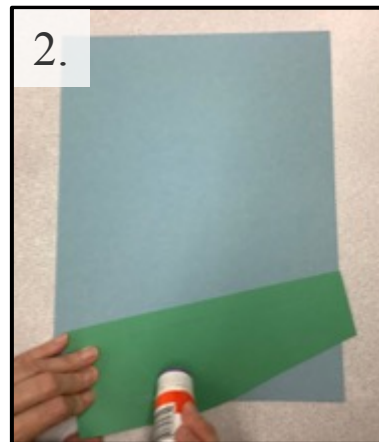

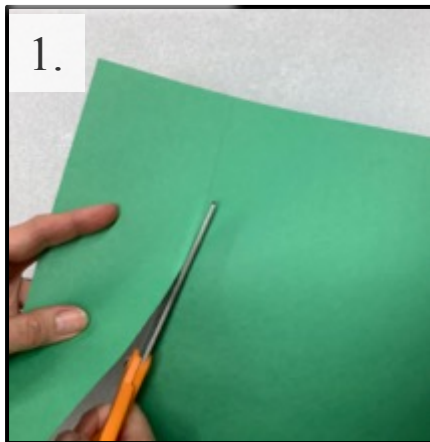

Kandinsky Inspired Art

By Tamara & Eunice

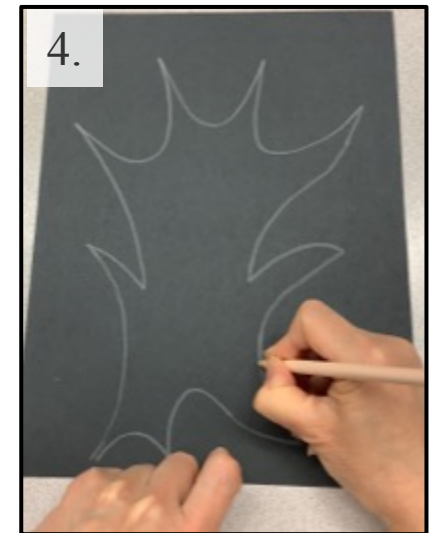

- ❑ **What you need:**
 - Glue
 - Scissors
 - Warm Coloured (red, yellow, Pink) Paper
 - Blue, Green & Black construction Paper

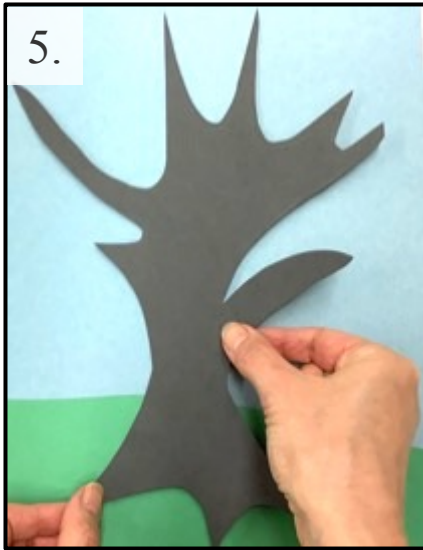

❑ Steps:

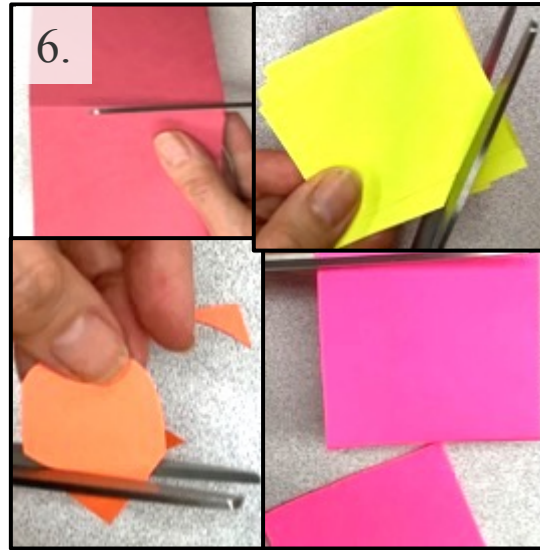

1, 2, 3. Cut the green paper into the shape of grass and glue it down to the blue paper.

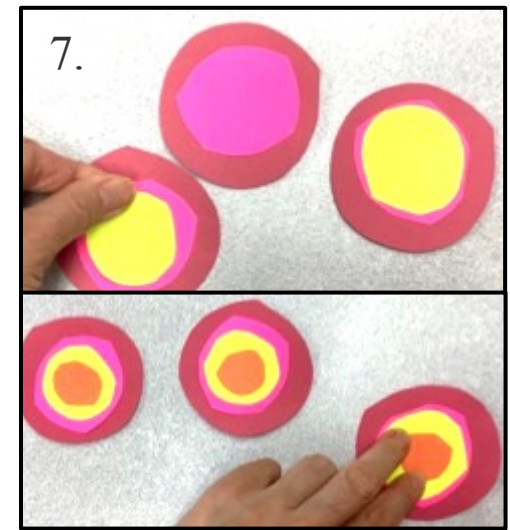

4. Draw out the shape of a tree on the black paper, and then cut it out.

5. Glue down the cut-out tree.

6, 7. Cut out small squares of red, yellow, and pink construction paper, then cut them into circles of various sizes and layer them together.

8, 9. Glue the circles together to layer them, then glue the layered circles onto the tree.

Try with your child:

- Make Kandinsky trees using other layered shapes.
- Try painting the background, while talking about all the different colours being used
- This art activity is based on the artist Kandinsky's original work.
