# Monster Counting Math Activity

# Monster eyes counting

## What you need

- Hair gel
- Googly eyes
- Container to keep googly eyes and number foam inside
- Number foam
- Ziploc bag
- Tape
- Scissors

## Instructions

- Empty the bottle of hair gel into the Ziploc bag
- Squeeze out air from the Ziploc bag
- Tape and seal the top of the Ziploc bag to keep hair gel from squeezing out and put in another Ziploc bag to prevent breakage
- Place the number five foam on top of Ziploc bag
- Count out five googly eyes and place them anywhere you like on the Ziploc bag
- Practice counting by using more number foams with googly eyes
