

## MATH ACTIVITY

By Eunice & Tamara

### ☐ What you need:

- Number Template
- Bingo Markers OR Buttons OR Decorative Tissue Paper OR Pom-poms

Print the Number Template and use materials you want to show the numbers. Introduce your child to numbers with this fun, creative activity!

Try using many different things to make the numbers.  
You can write, draw, or paint.  
You can use tissue paper, buttons, or  
you and your child's fingerprints too.
