

ART ACTIVITY

Salt Painting

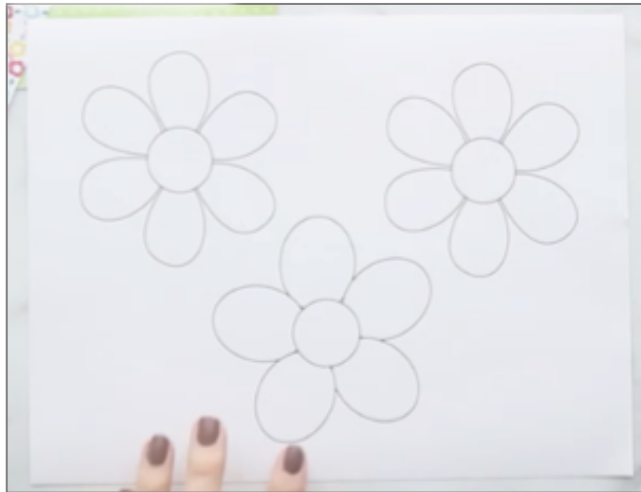

By Eunice & Tamara

❑ What you need:

- White Paper
- Pencil
- White Liquid Glue
- Salt
- Variety of Watercolour Paint
- Paintbrushes

❑ Steps:

1. Draw the picture for your painting with pencil.
2. Squeeze glue on the paper by following the lines of the drawing.

3. Pour some salt over the glue parts of the drawing.

4. After the glue parts are covered in salt, gently pour out the leftover salt.

5. Let the glue dry completely.

6. Gently paint the colours you want on the dried salt glue.

7. Let the paint dry.

*You can try many different drawings with your child.
