

Ship Water Play

What you need:

- Bin
- Water
- Dye
- Dish detergent
- Small fishes
- Boats

➤ *You can use different toys to create imaginary play. For example, all sea animals so its like under the sea*

What to Do:

- Fill bin with water
 - Add boats and fishes
 - Drizzle slowly colour dye (you can adjust to how dark you want the colour to be)
 - Had a few drops of dish detergent
- You can have the child play with the water first, before adding the dish detergent.
