Stamping Shapes with Playdough

Math Activity

Stamping Shapes with Playdough

What you need

- Playdough
- Roller
- Shape stamps or Objects with different shapes

Steps

1. Choose a shape stamp and press it into the playdough
- 2&3. Repeat this with lots of different shape stamps

HOW TO DO THE STAMPING SHAPES ACTIVITY FOR MATH LEARNING

- Try saying the names of the shapes with your child. Ex. "This is a circle."
- Make patterns with the shape stamps, asking questions like "Triangle, square, triangle, square, triangle...what's next?"
