

ALPHABET ACTIVITY

Stamping Letters

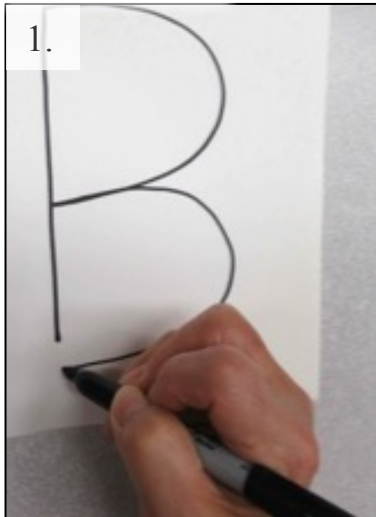

By Eunice, Jennifer and Tamara

What you need:

- A black marker or pen
- Bottle caps or wine corks
- Various coloured paints
- White Paper

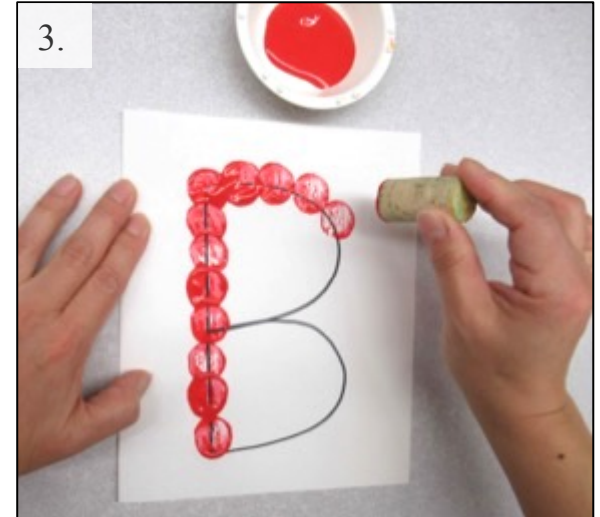

Steps:

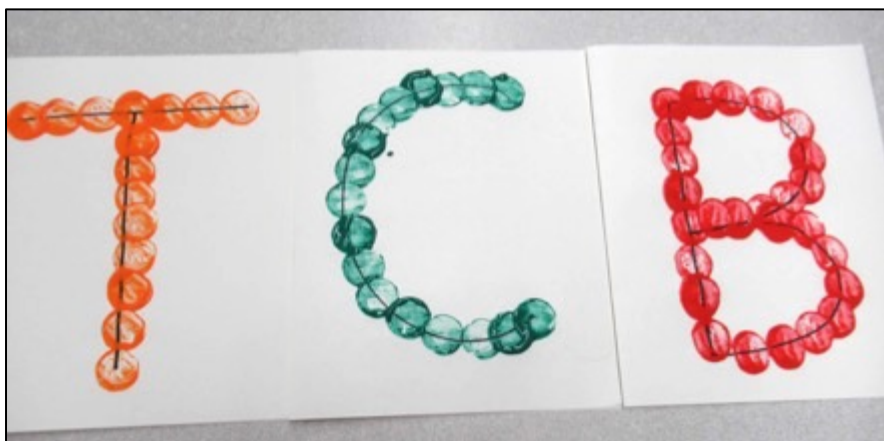

1. Write down a letter of the alphabet using a marker.

2. Pour out your paint and dip a **cap or cork** in it.

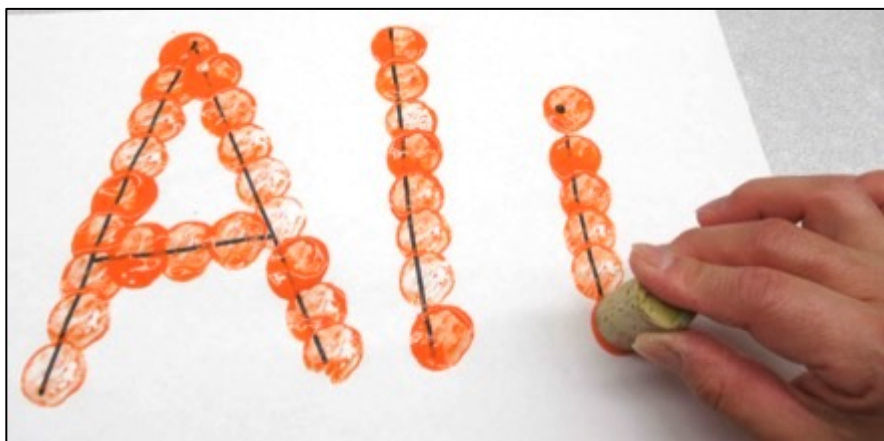

3. Stamp the paint on the cork along the letter written on the paper.

☐ Try with your child:

- Writing various letters of the alphabet in different colours. Ask questions such as, “What colour is the letter T? How do we say the green letter?”

☐ Try with your child:

- Writing their name. The child can stamp the cork along the marker writing of their own name, and try reading it as well.
