

Washing Dishes

What You Need:

- 2 Bins (size big enough to put water and fit a few dishes)
- Toy dishes (small toys that can be washed)
- Dish scrub
- Sponge
- Dry towel
- Dish detergent
- Water
- Tray

What to Do:

- Add water
- Add dish detergent
- Mix dish detergent and water together

- Put toys in the bin with the mixed dish detergent and water

➤ *Other toys that can be used:*

What Can be Demonstrated to Children

➤ *Use dish scrub to scrub the dishes*

➤ *Use sponge to wash the dishes*

➤ *Rinse dishes in a separate bin*

➤ *Put dishes on the tray to air dry or use towel to dry dishes*
