

MATH ACTIVITY

Watermelon Seed Activity

by Mary and Manpreet

Steps:

1. Trace out the shapes of the watermelon pieces on cardboard with a black marker.

2. Have your child colour or paint the watermelon pieces.

3. When the pieces are dry, draw on the seeds with a black marker. Label the end green pieces with numbers 1, 2, and 3.

- ☐ What you need:
- Cardboard
 - Markers or Paint
 - Scissors (adult only)
