

FINE MOTOR ACTIVITY

Yarn Wrapped Tree

What you need:

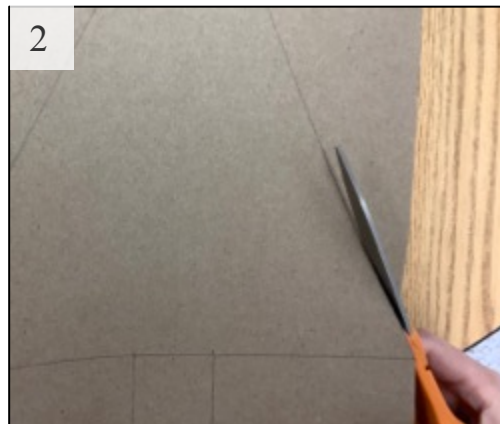

- Green yarn
- Pom-poms
- Cardboard
- Scissors
- White glue
- Ruler
- Pencil

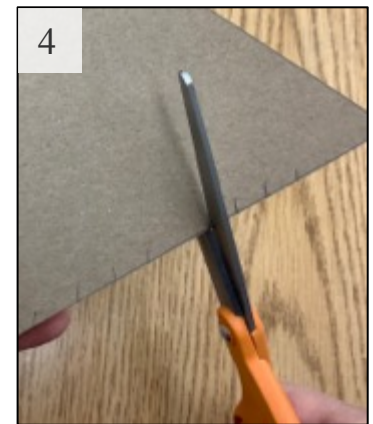

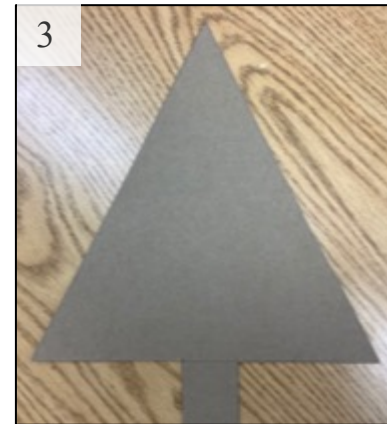

Steps:

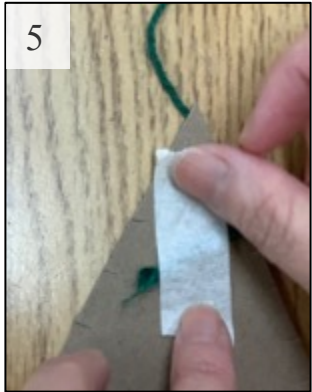

1. Draw a tree outline into the cardboard using a pencil and a ruler.

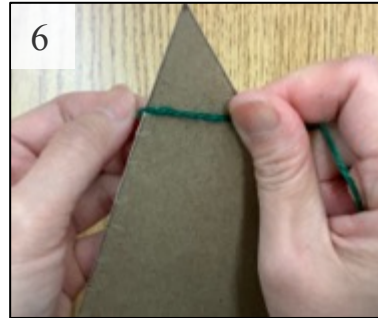

2, 3. Cut along the outline with a pair of scissors.

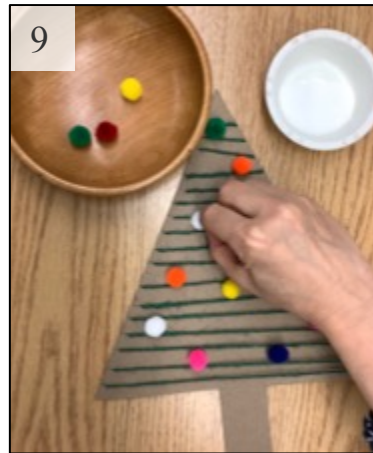

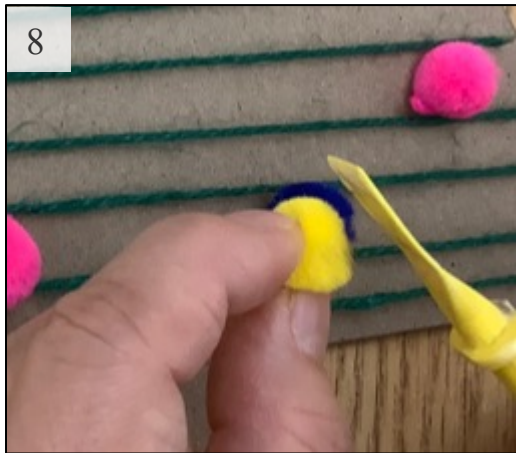

4. Make small cuts into the sides of the tree.

5. Tape one end of the yarn onto the back of tree, near the very top.

6, 7. Wrap the yarn all the way down the tree, fitting it into the cuts on the side to keep it in place.

8, 9. Decorate the tree with pom-poms as ornaments. Glue them down and let your tree dry.
