

Static Balloon

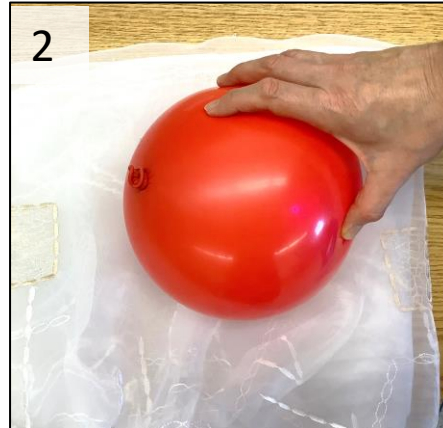

- ❑ **What you need**
- Scissors
 - Craft Tissue Paper
 - Balloon
 - Fabric (wool is best)

❑ **Steps**

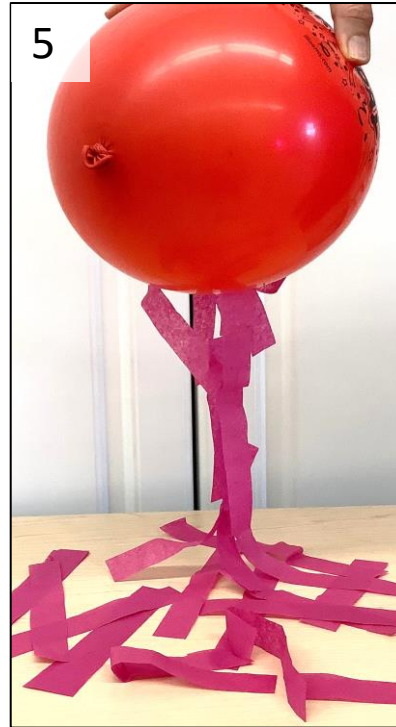

1. Cut out strips of craft tissue paper.

2, 3. Inflate a balloon and rub it against some fabric, then hold it over the pile of craft tissue paper.

4, 5, 6. With your child, bring the balloon closer towards the pile of paper. Watch as the paper sticks to the balloon, and stays attached as your child lifts it up.
